

§ 51.320

(G) Whether there are any changes needed in emissions monitoring and reporting protocols, or in the administrative procedures for program administration and tracking; and

(H) The effectiveness of the provisions for interstate trading, and whether there are any procedural changes needed to make the interstate nature of the program more effective.

(5) *Other provisions*—(i) *Permitting of affected sources.* The implementation plan must provide that for sources subject to part 70 or part 71 of this chapter, the implementation plan requirements for emissions reporting and for the trading program under paragraph (h) of this section must be incorporated into the part 70 or part 71 permit. For sources not subject to part 70 or part 71 of this chapter, the requirements must be incorporated into a permit that is enforceable as a practical matter by the Administrator, and by citizens to the extent permitted under the Clean Air Act.

(ii) *Integration with other programs.* The implementation plan must provide that in addition to the requirements of paragraph (h) of this section, any applicable restrictions of Federal, State, and tribal law remain in place. No provision of paragraph (h) of this section should be interpreted as exempting any source from compliance with any other provision of Federal, State, tribal or local law, including an approved implementation plan, a Federally enforceable permit, or any other Federal regulations.

§ 51.324 Progress in plan enforcement.

(a) For each point source, the State shall report any achievement made during the reporting period of any increment of progress of compliance schedules required by:

(1) The applicable plan, or

(2) Any enforcement order or other State action required to be submitted pursuant to § 51.327.

(b) For each point source, the State shall report any enforcement action taken during the reporting period and not submitted under § 51.327 which results in civil or criminal penalties.

§ 51.326 Reportable revisions.

The State shall identify and describe all substantive plan revisions during the reporting period of the applicable plan other than revisions to rules and regulations or compliance schedules submitted in accordance with § 51.6(d). Substantive revisions shall include but are not limited to changes in stack-test procedures for determining compliance with applicable regulations, modifications in the projected total manpower needs to carry out the approved plan, and all changes in responsibilities given to local agencies to carry out various portions of the plan.

§ 51.327 Enforcement orders and other State actions.

(a) Any State enforcement order, including any State court order, must be submitted to the Administrator within 60 days of its issuance or adoption by the State.
